

CAMERON I

Fixed-term Ikonia Currency Boost Act 2019

2019 CHAPTER 1

An act to allow citizens and government officials of the Kingdom of Ikonia to form businesses that would boost currency value. [18th March 2019]

BE IT ENACTED by the King's ruling, with the advice and consent of the Privy Council, in this present government assembled, and by the authority of the same, as follows:-

1. **ICB Act**

- (1) The official currency, Kyro will be backed by the "paper standard" in which one kyro is a single sheet of paper.
- (2) Businesses in Ikonia must sign contracts bounding what their hath company shall do for the government and people of the Kingdom.
- (3) All company names must be checked within the Ikonia Copyright Office.
- (4) Any company(s) that make or sell any product that include pornographic content may be revoked business-ship by His Majesty. If it continues, citizenship may be revoked, the final stance being that the people(s) may be exiled from the Kingdom all together.
